We help unemployed people rediscover their strengths, find a career vision, gain control over their inner dialogue, and take first positive steps towards achieving their goals. Our sessions are designed in a light, friendly and interactive way and include contents such as:

- **Creative vision development**
- **Basic concepts of psychology and neuroscience**
- **Self-coaching and peer-coaching tools**
- **Mindfulness and embodiment practice**
- **Goal-setting and action planning**

The course is complemented by optional 1:1 coaching, supported work experience, and peer-mentoring.
